- Revolver™ vertical torso adjusters
- Impact Indicator
- Protected labels, equipped with i-Safe™

Back D-ring, parachute buckle leg straps (size 3X-Large).

Delta™ harnesses combine a set of “industry-first” advancements, with popular features making them the workhorse of the industry. Today’s Delta™ represents the culmination of more than twenty years of design, research, manufacturing know-how and on-the-job performance. Delta™ harnesses are as tough as the guys who wear them. They feature coated, corrosion-resistant hardware, water-repellant and abrasion-resistant webbing and a build quality that is second to none. A patented triangular design gives Delta™ harnesses a shape of their own, so you can don them quickly and easily. Throw it in the tool-box or in the back of your truck, think you can tangle it? Just pick it up and it's ready to put on, tangle-free. The Delta™ pad also incorporates a web spreading design, positioning webbing wider apart on shoulder straps to eliminate abrasion on your neck.

## Specifications

Body Belt	No
Brand	Delta™
Buckle Type	Parachute
Case Quantity	1
Chest Buckle Material	Zinc Plated Steel
Color	Yellow
iSafe Equipped	Yes
Padding Location Type	None
Product Series	Delta™
Product Type	Vest-Style Harness
Recommended Industry	Construction, General Industrial, Transportation
Size	3X-Large
Standards/Approvals	ANSI Z359.1, OSHA 1910.66, OSHA 1926.502
Weight	3.2 lb.
Weight Capacity	420 lbs. (190 kg)
