Back D-ring, belt with pad and side D-rings, seat sling with suspension D-rings, quick connect buckle leg straps, built-in comfort padding (Size Large).

ExoFit™ is the design that changed what workers expect from a harness. It's our original comfort fit harness, with a single piece of material that wraps around you in the shape of an X. It dons without tangling and provides comfortable security. ExoFit™ remembers your adjustments. Snap three buckles and you're ready to work. Shoulder, hip and leg padding is built-in so it can't slip. A breathable lining guarantees you'll stay dry and comfortable all day.
