

3M 1110994

## Details

- No-tangle design
- Stand-up back D-ring
- Tongue buckle leg straps
- Parachute torso buckles
- Resist polyurethane coated web
- Protected labels, equipped with i-Safe™

Delta™ harnesses combine a set of “industry-first” advancements, with popular features making them the workhorse of the industry. Today’s Delta™ represents the culmination of more than twenty years of design, research, manufacturing know-how and on-the-job performance. Delta™ harnesses are as tough as the guys who wear them. They feature coated, corrosion-resistant hardware, water-repellant and abrasion-resistant webbing and a build quality that is second to none. A patented triangular design gives Delta™ harnesses a shape of their own, so you can don them quickly and easily. Throw it in the tool-box or in the back of your truck, think you can tangle it? Just pick it up and it's ready to put on, tangle-free. The Delta™ pad also incorporates a web spreading design, positioning webbing wider apart on shoulder straps to eliminate abrasion on your neck.

## Specifications

<b>Body Belt</b>	<b>No</b>
<b>Brand</b>	<b>Delta™</b>
<b>Buckle Type</b>	<b>Tongue Buckle</b>
<b>Case Quantity</b>	<b>1</b>
<b>Chest Buckle Material</b>	<b>Zinc Plated Steel</b>
<b>Color</b>	<b>Yellow</b>
