

# 3M 1161545

## Details

- Replaces Manufacturer Part Number 1191339
- Fixed D-ring reduces the need for readjustment throughout the workday
- Modern design gives harness a fresh and sleek look
- ANSI-compliant auto-resetting lanyard keepers for fast and easy parking of snap hooks and carabiners
- Impact indicators make it easy to inspect the harness for prior damaging impact loads
- Protected labels for long-term identification and inspection
- Back D-ring, Tongue-Buckle Leg Connection, Pass-Through Chest Connection

3M™ Protecta® Vest-Style Harness with a fixed Back D-ring to minimize workday readjustment and a modern design that gives the harness a fresh, sleek look. Plus, Tongue-Buckle Leg Connection, and Pass-Through Chest Connection. Designed for convenience, these updated harnesses are rated for 420 lbs (190 kg) total working weight.

Hardware features include Tongue-Buckle Leg Connection, Pass-Thru Chest Connection, Parachute Torso Buckle, and a Back D-ring. The Back D-ring provides a general fall arrest device connection point and is included on all models of 3M™ Protecta® Vest-Style Harnesses.
