- Abrasion resistant polyester webbing
- Energy absorbing design limits fall arrest forces
- User friendly self locking snap hooks at each end
- Impact indicator

6 ft. (1.8m) web double-leg 100% tie-off with snap hooks at each end.

Our PRO™ Pack shock absorbing lanyards provide high quality compliance at an economical price and are trusted by workers. They feature durable webbing and plated alloy steel hardware for strength and corrosion resistance. PRO™ Pack lanyards feature a controlled tearing action when subjected to a fall, reducing the forces imposed on the user to safe levels and stopping the fall. In addition, PRO™ lanyards are lightweight and provide added comfort and safety. Various styles, lengths and hooks options are available to suit your specific jobsite needs.
